Father: Jimmy R. Bautista Sr.

OBJECTIVE

Motivated mobile and web developer with experience in Laravel, PHP, JavaScript, Bootstrap, MySQL, Dart and Flutter. Skilled in building responsive and efficient websites and web applications. Looking to apply my technical skills and problem-solving abilities to help create effective web solutions.

PROFESSIONAL SKILLS

- Able to stay calm and productive even in high-pressure situations.
- Make smart decisions by considering both immediate needs and long-term goals.
- Good at working with people, building relationships, and persuading others to achieve positive results.
- Strong problem-solving skills, able to identify issues quickly and find efficient solutions.
- Excellent time management, able to prioritize tasks and meet deadlines consistently.

TECHNICAL SKILLS

Language: Java, SQL, PHP, JavaScript, Bootstrap, and Dart
Framework: Laravel, Flutter
Database: Firebase, MySQL
